6 October 1982

MEMORANDUM FOR: Director, Office of Planning, IC Staff

FROM : Executive Director

SUBJECT : Additional Observations -- Long Range Planning Issues

1. I would suggest that only issues which meet the following criteria should be addressed in the Community follow-on to the 1985 Capabilities Study:
 - High interest and impact to USG
 - Community-wide relevance
 - Actionable by the Community as a whole
 - Long-term interest
 - Issues should be studied from programmatic vice resource view.
2. Some of the issues collected in the package which you showed me do not, I think, meet these criteria but could be profitably studied by your staff off-line from the Community study.
3. I would suggest adding the following in the proposed Community process:
